Scientific concepts	Specific components	Additional aspects
Hydrogen peroxide H ₂ O ₂	Boron-doped diamond	
Related terms: green oxidant	Related terms: BDD	Related terms:
Electrochemical synthesis	Zero-gap PEM electrolyzer	
Related terms:	Related terms: polymer electrolyte membrane	Related terms:
Renewable electricity		
Related terms:	Related terms:	Related terms:
Anodic H ₂ O oxidation reaction		
Related terms: WOR	Related terms:	Related terms:
