

Scalable & Interactive Computing Services
Virtual Machine Services
Archival & Active Data Repositories

Info on available resources: <https://fenix-ri.eu>

Who can apply?

- European researchers (PIs, also PhD students)
- Usage of resources is free of charge

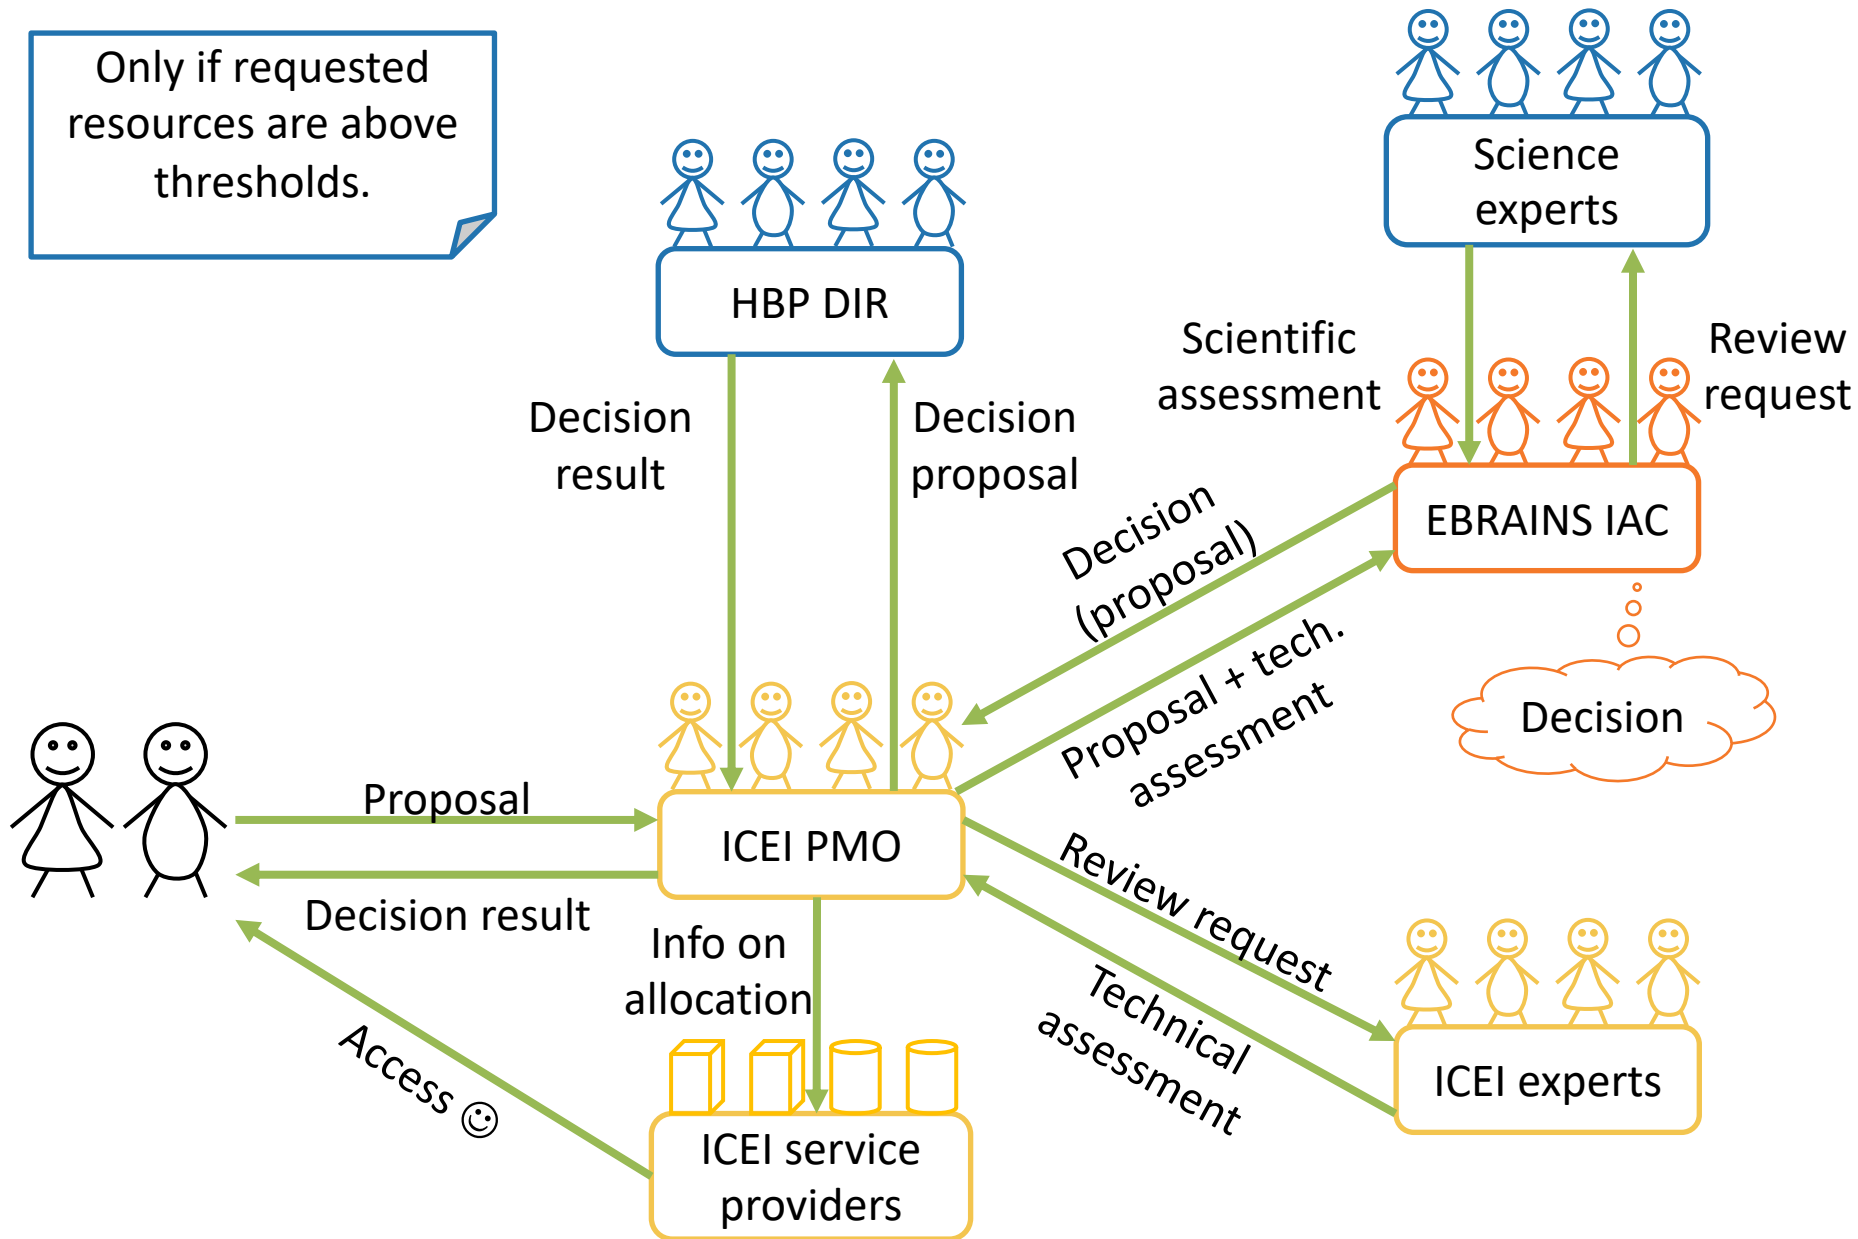

Help?!

- ICEI Project Management Office:
icei-coord@fz-juelich.de

More info?

- <https://fenix-ri.eu/>

Only if requested
resources are above
thresholds.

- Soon 5 sites each offer up to 5 types of resources
- PhD students are eligible to apply
- ICEI Project Management Office is the main point of contact
 - Also available to answer questions before officially submitting a proposal
- Plan ahead: the approval process takes some time...
 - But submitting a complete, comprehensive proposal helps to speed it up 😊
 - Good proposals don't need to be long.

THANK YOU
